School Specific Actions

ThrivePoint Academy is using allocated Title III funding to:

Our school strategically uses Title III funds to enhance support for English Learners (ELs) in three key areas. First, we implement a comprehensive professional development program for educators, focusing on culturally responsive curricula and effective instructional strategies to improve ELs' academic performance. Second, we foster family engagement by providing resources like ESL courses and community outreach initiatives, empowering parents to actively support their children's education. Lastly, Title III funds supplement our Language Instruction Educational Programs (LIEPs) by funding Edmentum licenses, which offer individualized learning paths tailored to ELs' needs. This holistic approach aims to boost ELs' language proficiency and overall academic success while fostering a supportive learning environment.

For more information about the resources, specific strategies, and tailored school goals, please review the School Performance Plan on our school's website. Additionally, our school's rating report is available at nevadareportcard.nv.gov, or you may contact Diana Ballek at diana.ballek@thrivepointnevada.com.

Lastly, parent and family engagement is critical to your child's success. You are welcome and encouraged to become involved in the academic progress of your child's school. Please visit your child's school for information about parent and family engagement opportunities.

Sincerely,
