

1.7 Facilities

- 1.7.1 The building(s) in which the Charter School is to be located shall be known as the Charter School Facilities (the “Facilities”).
- 1.7.2 The Authority or its designee may, at the Authority’s discretion, conduct health and safety inspections of the Facilities.
- 1.7.3 The Facilities shall meet all applicable health, safety and fire code requirements and shall conform with applicable provisions of the Americans with Disabilities Act and any other federal or state requirements applicable to public charter schools.
- 1.7.4 The Charter School’s relocation to different Facilities shall constitute a material amendment of this Charter Contract and shall not become effective and the Charter School shall not take action or implement the change requested in the amendment until the amendment is approved, in writing, by the Authority.
- 1.7.5 In the event that legally viable Facilities and/or necessary certificates and permits are not in place, the Charter School may not provide instruction at the Facilities or otherwise admit pupils into the Facilities. In such event, the Authority reserves the right to enforce any of the consequences for failure to act in accordance with the material terms and conditions of this Charter Contract.

1.8 Charter School Independence

- 1.8.1 Neither the Authority nor the board of trustees of the local school district in which the Charter School is located may assign any pupil who is enrolled in a public school or any employee who is employed in a public school to the Charter School. Neither the Authority nor the local school district in which the Charter School is located may interfere with the operation and management of the Charter School except as authorized by NRS 388A.010-.695, inclusive, and any other statute or regulation applicable to the Charter School or its officers or employees.
