RE: TEST ADMINISTRATION AND SECURITY NOTIFICATION

ThrivePoint Academy of Nevada has provided a written notice regarding examinations to all faculty and staff employed by the Governing Body, all personnel involved in the administration of examinations, and to all students and parents and legal guardians. The Test Administration and Test Security Plan is available for review on the ThrivePoint Academy website: www.thrivepointnevada.com which is accessible to faculty, staff, students and parent and guardians. The plan includes procedures, actions taken for violations of the plan or other irregularities in testing administration or test security.

Students, parents, and guardians received information regarding mandatory testing during orientation prior to students' start of school for fall semester. A printed copy of the Test Administration and Test Security Plan may be obtained upon request by calling 702-844-8854 or in writing to 3802 Meadows Ln. Las Vegas, NV 89107

Thank you,

Vince Medina
Principal, ThrivePoint Academy
